

INTERESTED IN BECOMING A UAOA SPRING CONFERENCE SPONSOR?

The Utah Airport Operators Association (UAOA) is a non-profit business association. The purpose of the Association is to promote aviation in the state of Utah. Members include representatives from airports in Utah as well as city, county, state and federal agencies. There are also many corporate members representing aviation and engineering interests.

The Association holds two conferences each year, one in the spring and one in the fall. Exhibitors and sponsors are encouraged to participate in these conferences. **You will not find any event in Utah that brings more city, county, state and federal representatives together in one place. The information presented at the conferences is vital to aviation in Utah.**

Registration fees are kept at a minimum to encourage maximum attendance.

Without the support of our sponsors, we would be unable to present these high quality conferences. Please consider becoming a sponsor of the UAOA!
